Re: RFP-7976

To Whom It May Concern:

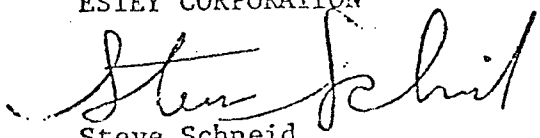

The total price of \$41,410.00 has been arrived at by determining that one (1) fixed and eleven (11) movable ranges are required to fulfill the requirements of the using agency. A tile covered floor has been included.

All products have a complete U.L. Listing.

Kindly let us know if you have any questions.

Sincerely yours,

ESTEY CORPORATION

Steve Schneid

Approved For Release 2004/01/29 : CIA-RDP83-00156R000300020055-3

These ranges include rear control panels and light fixtures.

Shelving Requirements:

The above shelving to be in accordance with the following specifications:

- GROSS AREA - approximately 1100 sq. ft.
- Overall height of Unit from building floor including lights - 104"
- SHELF DEPTH - Legal size with each shelf having three dividers.
- OPERATING CONTROL - Aisle range button at individual range ends.
Plus an additional control button on the
reverse end of each range of retrieval units and
a central console of the entire work stations.
- RANGE SELECTOR BUTTON - Reset button and selector button need not be
held in depressed position while ranges are
moving. Continuous movement essential.
- SHELVING STYLE - Bracket type standard shelving.
- SAFETY SYSTEM - Dual safeguard - electrical and manual type.
- OVERHEAD LIGHTING - Each range aisle to have two 40 watt single
fluorescent tubes with reflectors. Lights to be w
for safety control system.
- FLOOR LEVELS - All electrical and mechanical systems to be conceal
beneath a 7/8" high sub-floor, this permitting
unobstructed floor areas for movement of file truck

Above shelving to be compatible with existing shelving. WHOA?

Awards of this proposal will be made in aggregate.
Evaluation Criteria: Any resulting award will be based on delivery,
response time, and price.

BRAND NAMES: Reference to manufacturers brand name and number is due to lack of a satisfactory specification or commodity description. Such reference is intended to be descriptive but not restrictive, and is for the sole purpose of indicating to the prospective bidders a description of the article(s) that will be satisfactory. Bids on comparable items offered will be considered, provided that bidder states in his bid the exact article he is offering and how it differs from that specified. Cuts, illustrations and any other descriptive matter which will clearly indicate the character of the article covered by the bid and the difference from the referenced brand should be included. In the absence of such information, it is understood that bidder is offering the item(s) as specified.

SECURITY REQUIREMENTS:

The building and/or site wherein all services are provided under Agreement are to be performed under strict security control. Contractor agrees on behalf of himself and all subcontractors that he will assign only U. S. Citizens to perform the services. All persons granted access to premises, in connection with the performance of this Agreement will be subject to the Espionage or other Federal laws relating to improper disclosure of classified information.

LIABILITY OF THE CONTRACTOR:

The Contractor agrees that all persons employed by the Contractor to perform the work under this Contract will maintain a high degree of vigilance and diligence to prevent any damage or injury to Government property, equipment, supplies or personnel in the vicinity of the work and, to the greatest extent possible, avoid any interference with operations that may be in process during the work performed hereunder. Further, the Contractor agrees that it would be his responsibility to see that any Government property or equipment damaged by his employees during the performance of work will be restored at his expense and to the satisfaction of the Contracting Officer or his Technical Representative. The Contractor further agrees to see that all litter, refuse, waste, dirt, or debris in connection with his work is removed, and that the work area is restored to a clean and orderly appearance (not to include repainting and/or plastering, except in the case of Contractor negligent damages, nor normal janitorial services.)

REP 7976

AUTHORITY OF GOVERNMENT'S EMPLOYEES:

The Contracting Officer is the only employee of the Government authorized to enter into contracts, amendments or to direct changes pursuant to the "changes" clause or other clauses hereunder permitting equitable adjustments affecting the Contract price. Consequently the Contracting Officer is the only employee of the Government who is authorized to commit Government funds pertaining to the execution of this Contract. Unless otherwise specified herein, no other employee of the Government has the authority to initiate a course of action affecting the price of this Contract. Should any action by an employee of the Government other than the Contracting Officer imply a commitment on the part of the Government which would affect the price of this Contract, the Contractor must notify the Contracting Officer and receive his approval prior to proceeding. Otherwise, the Contractor proceeds at his own risk.
